Synaxis of the Saints of North America

On the second Sunday after Pentecost, each local Orthodox Church commemorates all the saints, known and unknown, who have shone forth in its territory. Accordingly, the Orthodox Church in America remembers the saints of North America on this day.

Saints of all times, and in every country are seen as the fulfillment of God's promise to redeem fallen humanity. Their example encourages us to "lay aside every weight, and the sin which so easily besets us" and to "run with patience the race that is set before us" (Hebrews 12:1). The saints of North America also teach us how we should live, and what we must expect to endure as Christians

Although it is a relatively young church, the Orthodox Church in America has produced saints in nearly all of the six major categories of saints: Apostles (and Equals of the Apostles); Martyrs (and Confessors); Prophets; Hierarchs; Monastic Saints; and the Righteous. Prophets, of course, lived in Old Testament times and predicted the coming of Christ.
